1. 1994 MasterCraft Pro 190 \$12000

Mastercraft Pro hours. Proflight tower with Bimini top and fiberglass speaker box with 4 Kicker speakers. New Sony marine deck and side speakers. Three amps one is if for a sub which I removed. I built a custom ballasts system. The rear seat has been removed (still have it and it is in great condition) and replaced with a custom box which holds a pound fat sac. Under the bow is a pound fat sac. All is controlled by a reversible 12 GPM pump. They fill and drain with a flip of the switch. Boat is in great condition always garaged and oil changed every 50 hours or at the beginning of the season. Trailer has new tires, wheel bearings, brake system and new boards and carpet. The ballast system is negotiable it can be removed in a few minutes

Mastercraft. Malibu wakeboard ski

10. Maristar Mastercraft \$16000

We have a 99' Maristar Mastercraft we are looking to sell. We are asking for the boat PLUS we will throw in all of our equipment which includes: multiple ropes, handles, multiple wake boards for all sizes, multiple life jackets for all sizes, a bare foot ski boom, AND fat sacks! Yes we are taking offers!

We are glad to say that the boat is in awesome condition (interior and exterior), it also has a upgraded sterio system. We have never had any michanical issue and the boat is owned by the orignial owner. We love the boat and all of our toys that come along with it but unfortunitly as our kids get older we find our self using it less and less.

If you have any questions or would like any more details please shoot an
