22. 1998 Bayliner Capri 1750 - Trades \$8000

Great family boat, bought it new at Brothers boats in folsom. seats people. Used it alot the first 2 years then not so much. The boat has not been in water in 6 years. Everythings works except the horn? for exact details, very lil tlc needed if looking for a PERFECT boat. I give it a out of 10 for a boat of this age. This is the new design that is more rounded instead of the old square windshield look. The boat has fish finder/GPS mounted to the drivers dash. Has loud and clean sound system w/l hookup.

This boat is ready to go with the exception of a fresh battery. The boat sits on a Escort single axle trailer. The boat comes with a 13' round floating trampoline and a Mantaray inflatable. The mantaray is a 11 foot wide 10 foot long that you ride and it flys behind the boat being towed.

Cash is great but open to trades? Dont need to sell it, but I dont use it. Interested in 03&up mustang or a smaller jetboat like the seadoo 4 seater.
