13. 2006 Sanger V210 \$28000

The V-drive that set the standard for today's tow boat, the Sanger V210 is a modern legend.

The tried-and-true design that launched the popular V-drive craze is back and built better than ever. With nimble handling and impressive tracking and throttle response, the V210 delivers beautifully shaped

ramps with clean peaks for the wakeboard fans in your family. Driving the boat is also a blast due to the ability to pull hard through S-turns and sharp banking turns while riding in the comfort of a padded open bow or the popular wrap-around seating.

With seating capacity for ten and more storage room than you will believe, the V210 is remarkably spacious for a 21-foot boat. The ideal boat for a family that likes to enjoy recreational water sports, this boat also offers excellent advanced wakes for that hardcore wakeboarder in the group.

This is a very nicely equipped boat with hours. Featuring: Black Scorpion 5.7L with HP, full instrumentation, Perfect Pass, Panasonic AM/FM CD stereo w/amp, tilt steering, wakeboard tower w/speakers, board racks, single ballast, fresh air exhaust, glove box, carpet, cup holders, bimini top, and a matching tandem axle trailer .
